# Le Chalet Zannier

## FRANCE

Le Chalet Zannier is an exceptional five-star mountain hideaway located in the authentic alpine village of Megeve. Its exclusive boutiques, refined restaurants and 445km of powdery ski runs make it an outstanding winter sport resort.

Established at an altitude of 1,100m and overlooked by Mont Blanc, the site at Le Chalet Zannier features three alpine-style chalets, whose interior design expresses the very essence and sophistication of an exceptional place to stay.

At Le Chalet Zannier guests can expect the very best in personal organisation and service. A concierge service, chauffeurs and personal ski guides/instructors are all on hand to deliver and fit ski equipment, organise ski passes and offer suggestions for activities and outings in and around Megeve for children and adults alike.

Each of the 12 bedrooms and suites evokes style, beauty and taste, and is decorated in a refined, traditional alpine style. Natural materials have been used to complement the modern comforts of a five-star hotel.

The spa, with its indoor relaxation pool, sauna, steam room and two

treatment rooms, is the perfect place to relax after an enjoyable day on the slopes.

In the lounge bar, guests can relax in front of a crackling fire or sit out on the terrace with magnificent views for company. Home-made pastries for tea, sweet and savoury snacks during the day, plus cocktails or a rare selection of malt whiskies come evening, are all on offer. The restaurant La Ferme de mon Père, run by passionate French chef Julien Burlat, offers an authentic menu that honours local and regional high-quality produce and seasonal ingredients. The gourmet bistro offers a choice of meat, fish and vegetarian a la carte dishes as well as a to-share menu, served in family-style cocottes.

Le Chalet Zannier's wine bar invites guests to partake in a culinary experience. Every evening a sommelier carefully selects wines to taste and share in a very relaxed and cosy atmosphere. Guests not looking for a full meal can indulge in a separate menu of bar snacks, that are as light as they are tasty.

Whether guests come for skiing, winter walks or simply to share some precious time with their loved ones, Le Chalet Zannier's attentive team will ensure their stay is a truly memorable one.
