Guided by a spirit of sharing and conviviality, Zannier Île de Bendor invites you to enjoy a truly unique experience in the heart of the Mediterranean.

A hotel with 93 rooms, a village of artisans, a 1,200 m<sup>2</sup> spa dedicated to well-being, a beach, a diving center, three tennis and pickleball courts, a children's club, and eight restaurants and bars. Among them is Nonna Bazaar, an iconic concept created by Zannier Hotels in Menorca in 2022.

The island of Bendor has always held a special place in the hearts of the people of Bandol and the surrounding region.

Today, we invite you to (re)discover it in a new light through a series of membership programs designed to help you enjoy the island and everything it has to offer.

We have created four bespoke memberships — Libertá, Amista, Solea, and Méditatif — so that everyone can experience the “Miniature World” envisioned by Paul Ricard.
