

Zannier Băi San Hô: A Padel Players Dream

LOCATION AND SETTING

Far from touristic routes, Zannier Băi San Hô offers guests the rare chance to experience padel in an exceptionally rich biodiverse region. Home to one of the most remote courts in Vietnam – and among the few in Southeast Asia – it is the perfect place to showcase one's padel skills.

EXPERIENCES & ON-COURT SERVICES

With the 98-hectare resort being 97% covered by vegetation, the padel court is beautifully set within natural surroundings, allowing guests to play while enjoying the scenic landscape and peaceful, serene atmosphere.

At Zannier Băi San Hô, guests can enjoy the experience on a standard 10 x 20-meter court with HEAD and Babolat branded rackets and balls. Hit the perfect backhand, strike a skillful bajada and strive for the Cuatro on the court at Băi San Hô – where the only distraction is the game itself.

Guests may come with a partner, join a group session or book private lessons to make the most out of this unique occasion, whether refining technique or enjoying a dynamic and engaging experience in an exceptional natural setting.

In March 2026, as part of the Club Águilas community, Zannier Bãi San Hô earned the Eagle's Wings – the international symbol of ultimate padel luxury. This distinction reflects a shared commitment to excellence and a passion for the sport, with players invited to experience the spirit of the Eagle's Wings on court.

Guests can celebrate victories with a cooler stocked with chilled drinks, delivered directly from the resort's on-court service. Should a guest need a partner or a dedicated ballboy during a session, the team at Zannier Bãi San Hô will gladly make the arrangements to elevate the experience.

In addition to padel, tennis court rentals are available for a maximum of 2 hours, with equipment for lease at the recreation centre from 6:00 AM to 8:00 PM.

ALTERNATIVES FOR ACTIVE TRAVELLERS

If padel is not one's strong suit and other activities, Zannier Bãi San Hô offers many alternatives to stay active during a retreat. Just beside the court, guests can enjoy access to a 24/7 fitness centre, a yoga studio, and conveniently located showers and facilities nearby. Beyond this awaits an array of beach sports, lagoon kayaking, snorkelling and so many more experiences.

24-HOUR FITNESS CENTRE

Guests can enhance their fitness in the resort's state-of-the-art fitness studio, equipped with Life Fitness equipment. The space offers an inviting environment for both beginners and seasoned athletes alike, supporting a wide range of training styles.

Dedicated staff are always on hand, to assist, guide, or personalise routines to ensure every guest enjoys a safe, and uplifting workout experience.
