

MEETINGS & EVENTS BROCHURE

Zannier Bãi San Hô is a luxury beach resort in Central Vietnam that is ideal to host a wide range of events within exceptional settings across 98 hectares.

CULTURAL ENRICHMENT

Zannier Băi San Hô is perched on a secluded peninsula of Phu Yen, uniting ancient rice paddy fields, verdant hilltops and kilometer-long powder white beach on 98 hectares (245 acres). The essence of the resort promotes immersion into Vietnam's rich culture. Three restaurants range from Bà Hai authentic regional cooking, fresh seafood at Làng Chài, to all-day Southeast Asian casual dining at Nhà Ở. Resembling the style of Vietnamese homes, 73 villas are dotted with hand-picked antiques, while pools and terraces offer restorative settings. The bay with its coral reef is the perfect place for kayaking or snorkelling. The Hoa Sen spa, yoga studio and reflection pool provide a serene setting for mind-body wellness. The resort hosts a meeting center composed of a conference room and a meeting room, as well as a private dining room in the main building.

LOCATION

Located in Phu Yen province

Nearest town: Quy Nhon

200 km North of Nha Trang

From Phu Cat Airport (UIH): 80 min drive

From Tuy Hoa Airport (TBB): 80 min drive

ACCOMMODATION

ACCOMMODATION

The 73 villas are built according to three different architectural styles, each of them melting into the lush natural background. The **Paddy Field Villas**, lying next to the rice paddies, are built on stilts, in traditional Vietnamese architecture. The **Terrace Villas** overlook the resorts garden and provide ample relaxation close to nature. The **Beach Pool Villas** evoke the Cham tribes while the **Hill Pool Villas** and **Grand Bay Pool Villas** are reminiscent of Ede tribes.

All accommodations are equipped with kingsize beds, bath and shower, free Wi-Fi, television, safe, docking station, minibar, desk and with air conditioning

TERRACE VILLA & PADDY FIELD VILLAS

Wooden villas on stilts overlooking the rice paddies, inspired by fishermen floating villages.
